CA P EUR Vast majority Venezuelans appear wholeheartedly back President

IO Betancourt's strong support US initiative on Cuba. While DAC - there some minor demonstrations this morning at Central University, city as whole has had "business as usual" atmos-

US LA phere. Embassy (and other USG installations) continue under NSC

reinforced guard. Consulate Maracaibo reported this morning INR that city calm. CIA

NSA President met with AD, COPEI, and CTV leaders this morning OSD and with military this afternoon. Embassy has no report as ARMY yet re results. Foreign Minister publicly supported US po-NAVY sition in statement today. AIR

Military all ranks and services "exuberant" and oft-stated remark was "at last".

AD leaders have told Embassy officers Kennedy speech was "very good", "magnificient" and that 90 percent Venezuelans pleased with it. One AD Senator on own initiative called Embassy officer to state extreme left contact had expressed knowledge of hemisphere wide Communist party all out attack on US interests "when signal given" and claimed there no nuclear weapons on Cuba yet but that Soviet convoy new on way with them.

Cuban exile leaders unanimous in their "glee" over US program exile radio station has been broadcasting speech continuously all day. Several exile leaders have already left for meeting
